EXPERIENCE

General Assembly

September 2014-December 2014

Full Stack Web Developer

- Learned the fundamentals of Full-Stack web development in an intensive 12-week program
- Built a full scale web application for managing the orders of restaurant patrons using Ruby, Sinatra, PostgreSQL, HTML and CSS
- Helped to construct a 'sentiment mapper' application which used Twitter's API's to quantify and demonstrate public sentiment about a variety of issues and topics, using Ruby on Rails, Javascript, jQuery, HTML and CSS
- Constructed a Tinder-like application for fist-fighting, using Facebook's API, Ruby, Sinatra, Skeleton, Javascript, jQuery, OAuth, HTML, CSS and PostgreSQL

JPMorgan Chase

September 2013-September 2014

Senior Teller

- Assisted customers in performing a variety of transactions, such as cash and check deposits, withdrawals, payments and account transfers, for both consumer and commercial banking clients
- Greeted customers in bank lobby and assist them or direct them to the appropriate banker or manager
- Prepared/accumulate the entirety of the day's transactions, interoffice mail, foreign currency, etc, and process it for courier pickup
- Maintained inventory of total cash in vault and automated teller machines and order/restock when necessary

PMD Promotions

March 2013-September 2013

Display Contractor

- Secured rights to display advertising materials for films, concerts, musicals and the like in various establishments throughout Tri-State area
- Canvassed neighborhoods and towns in Tri-State area in order to secure display contracts with new venues
- Maintained and/or replace previously installed promotional materials to ensure all installations contain current material
- Created photo records of completed installations in order to provide examples for prospective clients

Bay Ridge Honda/Volvo

September 2011-February 2012

Customer Care Representative

- Followed up with all service customers to gauge positivity of experience and ascertain areas for improvement
- Served as go-between for technicians, service advisors and customers to keep all parties abreast of progress
- Answered all incoming calls and assisted customers with appointments, status checks and general inquiries
